

Ingrid Williamson from Victoria and her gorgeous three and a half year old filly 'Lucy' are making a debut at Caswell stables. Lucy's willing personality and immaculate breeding (**Sire:** Vivant, **Dam:** Licara) make her a horse to look out for in the future. Ingrid, with the advice of Jenny and Andrew has decided to put Lucy in foal to Conquistador this year and give her time to mature.

While Lucy will not reside permanently at Caswell stables, she certainly feels at home here with the company of her mother Licara as well as having Aunty Jenny to look after her.
